

Diversity Scholarship Program

COCHF recognizes that the strength of its membership is reflected in the many cultures and identities represented within its co-ops. COCHF encourages applications from these diverse communities.

Our Goal

The purpose of the COCHF Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money.

The Scholarships

You could be eligible for a scholarship if you are going to a publicly funded Canadian college, university or approved apprenticeship-training program. We offer scholarships to students who are just graduating from high school, or are currently enrolled in post-secondary education, or are returning to school after a break to complete an undergraduate program.
