

## **2023 COCHF Diversity Scholarship Application**

**Deadline: Friday, June 30th, 2023, at 4:00 p.m.**

COCHF recognizes that the strength of our membership is reflected in the many cultures and identities represented within our co-ops. COCHF encourages applications from these diverse communities.

### **Our Goal**

The purpose of the COCHF Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money and assistance with financial planning.

### **The Scholarships**

You could be eligible for a scholarship if you are going to attend a publicly funded Canadian college, university or approved apprenticeship-training program. We offer scholarships for students who are just graduating from high school, or are currently enrolled in a post-secondary program or are returning to school after a break to complete an undergraduate program.

Scholarships are \$5000 distributed over four years.

### If you are already attending college or university

The scholarship is pro-rated for your undergraduate program. For example, someone part way through a program would be funded for the remaining years of that program.

### Students will have to show us

- they are already registered full time
- a transcript, showing passing marks for the program
- accounts with the college or university are up to date.

Starting in second year, several colleges and universities provide additional money to COCHF Diversity Scholarship winners. These scholarships average \$3,000 per student. (**Please note:** Some conditions apply. Recipients' average must meet standard requirements.)

We accept applications from graduate students.
