Diversity Scholarship Program

COCHF recognizes that the strength of its membership is reflected in the many cultures and identities represented within its co-ops. COCHF encourages applications from these diverse communities.

Our Goal

The purpose of the COCHF Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money and financial planning.

For more information, please email info@cochf.coop.
